TAXBOT GHANA

System Documentation & Knowledge Base

VERSION 1.0 | DRAFT — UNREVIEWED

FOR INTERNAL USE ONLY — DO NOT DISTRIBUTE

1. About TaxBot Ghana

1.1 What Is TaxBot Ghana?

TaxBot Ghana is an AI-powered assistant designed to help Micro, Small, and Medium Enterprises (MSMEs) navigate Ghana's tax system. It is built on top of the Claude language model and is configured with a specialised persona, knowledge base, and response style tailored to Ghanaian tax law.

The chatbot is intended for business owners, sole proprietors, and small company directors who are not tax professionals. Its goal is to demystify Ghana Revenue Authority (GRA) requirements, explain tax obligations in plain language, and guide users toward compliance.

1.2 Who Is It For?

- Sole proprietors registered under the Registrar General's Department
- Small business owners filing under the Ghana Revenue Authority (GRA)
- Directors of private limited companies with annual turnover below GHS 5 million
- Self-employed individuals (traders, consultants, freelancers, artisans)
- Startups at various stages of formalisation

1.3 What TaxBot Can and Cannot Do

TaxBot CAN:

- Explain tax types, rates, thresholds, and deadlines applicable to MSMEs
- Walk users through how to calculate taxes (e.g. VAT, income tax, PAYE)

- Clarify which tax regime applies to a given business type
- Explain penalties for late filing or underpayment
- Advise on bookkeeping practices that support tax compliance

TaxBot CANNOT:

- Provide legally binding advice — it is a guide, not a substitute for a tax consultant
- Access GRA's systems or check a user's specific account status
- Handle court disputes or formal objections to GRA assessments
- Guarantee accuracy for recent budget changes (users must verify with GRA)

1.4 Disclaimer

IMPORTANT: This chatbot provides general guidance based on Ghana's tax legislation and should not be treated as formal legal or professional tax advice. Rates, thresholds, and deadlines are subject to change through the annual budget or GRA administrative decisions. Always verify current information at www.gra.gov.gh or with a qualified tax consultant.

2. Knowledge Base — Ghana Tax System Overview

NOTE TO EDITOR: this section was compiled from multiple sources including the GRA website, the Income Tax Act (2015) (Act 896), VAT Act (2013) (Act 870), PNDCL 111, and various GRA practice notes. Cross-check all figures before publishing. Some entries below are marked [VERIFY] where the compiler was unsure of the current value.

2.1 Major Taxes Applicable to MSMEs

Tax Type	Governing Law	Administered By	Who It Applies To
Income Tax (Personal/Corporate)	Income Tax Act, 2015 (Act 896)	GRA — Domestic Tax Revenue Division	Individuals, sole proprietors, companies

VAT (Value Added Tax)	VAT Act, 2013 (Act 870)	GRA — Domestic Tax Revenue Division	Businesses with taxable turnover > GHS 200,000/yr
NHIL (National Health Insurance Levy)	NHIL Act, 2003 (Act 650) as amended	GRA (collected alongside VAT)	Same as VAT registrants
GETFund Levy	GETFund Act, 2000 (Act 581) as amended	GRA (collected alongside VAT)	Same as VAT registrants
PAYE (Pay As You Earn)	Income Tax Act, 2015 (Act 896), Part IV	GRA — Domestic Tax Revenue Division	Employers with employees earning above the tax-free threshold
Withholding Tax (WHT)	Income Tax Act, 2015 (Act 896), Sections 114–119	GRA	Applies to specified payments (rent, contracts, dividends, etc.)
Covid-19 Levy [VERIFY STATUS]	Revenue Administration Act / Budget Statements	GRA	On VAT-able supplies; check if still in force for current year
Stamp Duty	Stamp Duty Act, 2005 (Act 689)	GRA	On legal documents, contracts, share transfers
Mineral Royalty / Resource Levy	Minerals and Mining Act, 2006 (Act 703)	GRA / Minerals Commission	Mining companies — NOT typical MSME but included for completeness

3. Income Tax

Primary legislation: Income Tax Act, 2015 (Act 896). Amended by Income Tax (Amendment) Acts from 2016 onwards. Check GRA website for the most recent amendment act number.

3.1 Personal Income Tax (For Sole Proprietors & Self-Employed)

Sole proprietors and self-employed individuals are taxed on chargeable income using a graduated rate scale. Chargeable income = total income – allowable deductions – reliefs.

3.1.1 Annual Income Tax Bands (2024 Tax Year) [VERIFY FOR 2025]

NOTE TO EDITOR: The bands below were taken from the 2024 Budget Statement. The 2025 rates may differ. Please confirm from GRA's official rate schedule before final publication.

Annual Chargeable Income (GHS)	Tax Rate	Notes
First 4,380	0%	Tax-free threshold (personal relief)
Next 1,320	5%	
Next 1,560	10%	
Next 36,000	17.5%	
Next 196,740	25%	
Exceeding 240,000	35%	Top marginal rate

Monthly equivalent of the tax-free band: GHS 365 per month [VERIFY].

3.1.2 Reliefs Available to Individuals

Relief Type	Annual Amount (GHS)	Conditions / Notes
Personal Relief	Included in the 0% band above	Automatic — no application needed
Marriage Relief	240 [VERIFY]	Must be legally married

Child Relief (per child)	240 per child up to 2 children [VERIFY]	Must be under 18 or in full-time education
Dependent Relative Relief	54 [VERIFY]	For supporting a dependent relative
Aged Dependant Relief	54 [VERIFY]	For supporting aged parents
Disability Relief	25% of income [VERIFY]	Must produce disability certificate
Old Age Relief (age 60+)	1,500 [VERIFY]	For resident individuals aged 60 and above
Education Relief	[AMOUNT NOT CONFIRMED]	Tertiary education — check GRA for current amount

EDITOR NOTE: Relief amounts above were compiled from various sources and may not all be current. Some reliefs have been amended by budget statements. Cross-check every figure against GRA's current relief schedule.

3.2 Provisional Tax (For Self-Employed / Business Income)

Self-employed individuals and sole proprietors pay tax provisionally during the year in four (4) quarterly instalments, with a final reconciliation when they file the annual return.

- Provisional tax is based on estimated chargeable income for the year.
- Taxpayers may base estimates on the prior year's income or current year projection.
- Under-declaration can attract penalties (see Section 9).

3.2.1 Provisional Tax Deadlines

Quarter	Period Covered	Payment Deadline
Q1	January – March	31 March
Q2	April – June	30 June
Q3	July – September	30 September

Q4	October – December	31 December

Annual income tax return filing deadline: 30 April of the following year (e.g. 2024 return due 30 April 2025). [VERIFY — some sources say 4 months after year-end for companies, which could vary]

3.3 Corporate Income Tax (CIT)

Companies incorporated under the Companies Act, 2019 (Act 992) are subject to Corporate Income Tax.

Company Type	CIT Rate	Notes / Act Reference
Standard company (resident)	25%	Act 896, Section 1 Schedule
Non-resident company	25%	Plus 8% withholding on repatriated income [VERIFY]
Free Zone enterprise (first 10 years)	0%	After 10 years, rate applies — [VERIFY current rate]
Petroleum & mining companies	35%	Different rules apply — refer to Petroleum Revenue Management Act
Financial institutions (banks etc.)	25% [CHECK FOR SPECIAL LEVY]	Additional levies may apply as per budget announcements
Insurance companies	25%	
Small Business Tax Regime companies [VERIFY]	Special reduced rate — see Section 4	MSME-specific regime — covered in Section 4

Company Annual Return Filing Deadline: Within 4 months of the company's year-end. For December year-end, this means 30 April. [NOTE: editor should clarify for non-calendar year companies]

4. Small Business Tax / Presumptive Tax Regime

Ghana operates a simplified tax regime for small businesses, often referred to as the Small Taxpayers regime or the Presumptive Tax regime. This is designed to reduce compliance costs for businesses that cannot maintain full accounting records.

4.1 Eligibility

- Sole proprietors and small businesses with annual turnover below a specified threshold.
- The current threshold is GHS 200,000 per year. [EDITOR: this aligns with the VAT threshold — confirm if both thresholds use the same figure]
- Must not be VAT-registered (VAT registration implies passing the GHS 200,000 threshold).
- Not eligible if the business is a company (i.e. incorporated under Companies Act).

4.2 Presumptive Tax Rates (Fixed Turnover-Based)

Under the presumptive regime, tax is calculated as a fixed percentage of turnover (not profit). This means the business does not need to prove its expenses.

Annual Turnover (GHS)	Tax Rate on Turnover	Estimated Annual Tax (GHS)
0 – 20,000	0%	0
20,001 – 50,000	3%	600 – 1,500
50,001 – 100,000	3%	1,500 – 3,000
100,001 – 200,000	3%	3,000 – 6,000

EDITOR NOTE: The rate structure above is an approximation based on GRA

guidance as at time of writing. Some sources show the 3% flat rate applying across all bands above GHS 20,000. Others show a tiered structure. This needs to be confirmed with the current GRA Small Taxpayers Office.

4.3 How to File Under the Presumptive Regime

- Obtain a Taxpayer Identification Number (TIN) from GRA if not already registered.
- Register with the GRA Domestic Tax Revenue Division as a Small Taxpayer.
- File quarterly returns using Form IT3 [VERIFY form number] or via GRA's online portal (GRA e-Services at taxpayerportal.gra.gov.gh).
- Payments are made quarterly at the same deadline schedule as provisional tax (see Section 3.2.1).

5. Value Added Tax (VAT)

Primary legislation: VAT Act, 2013 (Act 870), as amended by VAT (Amendment) Acts. VAT is administered by the GRA Domestic Tax Revenue Division.

5.1 VAT Registration

- Mandatory registration: Any business with taxable turnover exceeding GHS 200,000 per year must register for VAT.
- Voluntary registration: Businesses below the threshold may voluntarily register.
- Turnover is assessed on the past 12 months OR if there are reasonable grounds to believe turnover will exceed GHS 200,000 in the next 30 days.
- Registration is done at the GRA VAT office or online at www.gra.gov.gh.

5.2 VAT Rates

Levy	Rate	Legislation	Notes

Standard VAT Rate	15%	VAT Act 870, Section 1	On all taxable goods and services
NHIL (National Health Insurance Levy)	2.5%	NHIL Act 650	Collected alongside VAT
GETFund Levy	2.5%	GETFund Act 581	Collected alongside VAT
COVID-19 Health Recovery Levy	1% [VERIFY IF STILL IN FORCE]	Budget Statement	Introduced in 2021; confirm current status
Effective rate on VAT-inclusive invoices	~21.9% (or up to 23% incl COVID levy) [VERIFY]	Combined	See calculation example in 5.3

5.3 Calculating VAT — Worked Example

EXAMPLE: A business sells a product for GHS 1,000 (exclusive of taxes).

VAT Calculation:

- Product price (excl. tax): GHS 1,000.00
- VAT @ 15%: GHS 150.00
- NHIL @ 2.5%: GHS 25.00
- GETFund @ 2.5%: GHS 25.00
- [COVID Levy @ 1% if applicable]: GHS 10.00
- Total price to customer (if COVID levy applies): GHS 1,210.00
- Total price to customer (without COVID levy): GHS 1,200.00

NOTE TO EDITOR: Confirm whether the COVID-19 levy is still applicable for the current tax year. If it has been removed by budget statement, delete the COVID-19 line from this section.

5.4 VAT Flat Rate Scheme

The VAT Flat Rate Scheme (VFRS) is a simplified VAT scheme for retailers and small traders who buy and sell goods (not services). Under this scheme:

- Traders charge a flat rate of 3% on the value of goods supplied.
- The 3% is NOT broken down into VAT + NHIL + GETFund components on the invoice.
- VFRS traders cannot claim input VAT credits.
- Eligible if annual taxable turnover is between GHS 200,000 and GHS [UPPER LIMIT — VERIFY] per year.

EDITOR NOTE: The VFRS upper threshold was reportedly increased in recent budgets. Confirm the current eligibility band with GRA.

5.5 VAT Filing and Payment Deadlines

- VAT returns are filed monthly.
- Return filing deadline: Last working day of the month following the reporting month. (e.g., January return is due by the last working day of February.)
- Payment is due at the same time as filing.
- Late filing penalty: GHS 500 per month or part thereof. [VERIFY — some sources cite Act 896 Section 163 for a different amount]

6. Pay As You Earn (PAYE)

PAYE applies to employers who have employees on their payroll. The employer is responsible for deducting the correct amount of income tax from employees' salaries and remitting it to GRA.

Primary legislation: Income Tax Act, 2015 (Act 896), Part IV.

6.1 Who Must Register for PAYE?

- Any business (sole proprietorship, partnership, company) that pays salaries, wages, or other employment income to one or more employees.

- Employer registration for PAYE is done at the nearest GRA Domestic Tax Revenue Division office or online.

6.2 PAYE Rates — Same as Personal Income Tax

PAYE is calculated using the same graduated bands as personal income tax (see Section 3.1.1). The monthly bands are:

Monthly Chargeable Income (GHS)	Rate
First 365	0%
Next 110	5%
Next 130	10%
Next 3,000	17.5%
Next 16,395	25%
Exceeding 20,000	35%

NOTE TO EDITOR: Monthly bands should be annual bands ÷ 12. The figures above are approximate. Recalculate from the confirmed 2025 annual bands and replace.

6.3 PAYE Filing and Payment Deadlines

- PAYE must be deducted each pay period (monthly for most businesses).
- Remittance to GRA: By the 15th of the following month. [VERIFY — some sources say last working day of the following month]
- Monthly PAYE return (IT3 Form [VERIFY]) must be submitted alongside payment.
- Annual PAYE certificate (IT3A [VERIFY]) must be issued to employees by 31 March of the following year.

6.4 Social Security (SSNIT)

NOTE: SSNIT contributions are NOT a tax administered by GRA, but are closely related to employer payroll obligations. Including here for completeness.

Contributor	Rate	Notes
Employer contribution	13%	Of basic salary — remitted to SSNIT
Employee contribution	5.5%	Deducted from employee gross salary
Total	18.5%	Only employer's 13% goes fully to SSNIT; employee's 5.5% split across Tier 1 & Tier 2 [VERIFY exact split]

SSNIT deadlines: Contributions must be paid by the last day of the month following the month of deduction. [VERIFY]

7. Withholding Tax (WHT)

Withholding Tax is a tax deducted at source by the payer of certain types of income. The payer is called the withholding agent.

Primary legislation: Income Tax Act, 2015 (Act 896), Sections 114–119.

7.1 Common WHT Rates

Type of Payment	Resident Rate	Non-Resident Rate	Notes
Dividends	8%	8%	Final tax for individuals
Interest (bank deposits)	8%	8%	Final tax for individuals
Rent (from businesses)	8% [VERIFY]	15% [VERIFY]	Payer must withhold
Service fees (management, technical, etc.)	20% [VERIFY]	20%	Check if reduced rate under Double Tax Treaty
Construction contracts	5%	10% [VERIFY]	
Supply of goods (>GHS 2,000 [VERIFY])	3%	10%	Check current threshold
Royalties	10%	15% [VERIFY]	
Natural resource payments	10%	15%	
Lottery / gambling winnings	5%	5%	

EDITOR NOTE: WHT rates are a common source of errors. The table above combines rates from multiple GRA publications but should be cross-checked against the most recent Income Tax (Amendment) Act and GRA WHT rate schedule. Non-resident rates may be reduced under Double Tax Treaties (e.g. Ghana-UK, Ghana-France).

7.2 WHT Filing and Payment

- Withholding agents must remit WHT deducted by the 15th of the following month. [VERIFY — same uncertainty as PAYE]
- A WHT certificate must be issued to the recipient of the payment.
- Annual WHT returns are required. Deadline: [EDITOR — confirm annual WHT return deadline]

8. TIN, Business Registration & GRA Obligations

8.1 Taxpayer Identification Number (TIN)

- Every person carrying on a business in Ghana must obtain a TIN.
- TINs are issued by GRA free of charge.
- How to apply: Visit any GRA office, or apply online at www.gra.gov.gh, or at Ghana.gov portal.
- Required documents: Ghana Card (National ID), business name / registration certificate if applicable.

8.2 Business Name Registration

- Sole proprietors and partnerships must register with the Registrar General's Department (RGD).
- Registration cost: approximately GHS 30–50 for sole trader [VERIFY — RGD fees change].
- Renewal: Annual renewal required. Deadline: [EDITOR — confirm annual renewal deadline from RGD].

8.3 Company Incorporation

- Private limited companies are incorporated under the Companies Act, 2019 (Act 992).
- Incorporation fees vary by share capital [VERIFY current fee schedule from RGD website].
- Incorporated companies must file Annual Returns with RGD in addition to tax returns with GRA.

8.4 GRA Registration Milestones for a New Business

Step	Action	Where	Timing

1	Register business name / incorporate company	Registrar General's Department	Before starting operations
2	Obtain TIN	GRA or ghana.gov portal	Before first transaction or immediately after registration
3	Register for Income Tax / Provisional Tax	GRA Domestic Tax Revenue Division	Within 30 days of commencing business
4	Register for PAYE (if employing staff)	GRA Domestic Tax Revenue Division	Before making first payroll payment
5	Register for VAT (if turnover > GHS 200,000)	GRA VAT Office	Within 30 days of crossing threshold
6	Register with SSNIT (if employing staff)	SSNIT Office	Before first payroll

9. Penalties, Interest, and Offences

Primary legislation: Revenue Administration Act, 2016 (Act 915), as amended. Also Income Tax Act, 2015 (Act 896) and VAT Act, 2013 (Act 870).

NOTE TO EDITOR: Penalty amounts cited below are from the Revenue Administration Act and may have been adjusted by subsequent amendment acts. Some penalties are expressed as a currency amount; others as a percentage of tax unpaid. Verify each figure.

9.1 Common Penalties

Offence	Penalty	Legal Basis
Late filing of income tax return	GHS 200 per month or part thereof (individuals) [VERIFY]	RAA 915 / Act 896
Late filing of VAT return	GHS 500 per month or part thereof [VERIFY]	VAT Act 870 / RAA 915
Late payment of tax	Interest at the statutory rate (Bank of Ghana policy rate + 5%) [VERIFY rate calculation]	RAA 915
Failure to register for VAT when required	Penalty + back-taxes for the period unregistered [VERIFY]	VAT Act 870
Failure to withhold (WHT)	Payer becomes personally liable for the undeducted tax [VERIFY]	Act 896
Understating income / tax evasion	Penalty of 300% of tax underpaid + possible criminal prosecution [VERIFY]	RAA 915
Failure to maintain records	Fine up to GHS [AMOUNT — EDITOR MUST VERIFY] [VERIFY]	RAA 915
Failure to issue VAT invoice	Fine / penalty — [EDITOR: specify amount from current Act]	VAT Act 870

9.2 Interest on Overdue Tax

- Interest accrues daily on unpaid tax from the due date.
- Rate: Bank of Ghana policy rate + a statutory margin. [EDITOR: Confirm the current margin — previously 5% but may have changed]
- Interest is compounded. Long delays in payment can result in interest exceeding the original tax liability.

9.3 GRA Amnesty Programmes

GRA has periodically offered tax amnesty or voluntary disclosure programmes allowing taxpayers to regularise their affairs with reduced penalties. These are

announced via budget statements or GRA press releases. TaxBot cannot confirm whether a current amnesty programme is in force — users must check GRA directly.

10. Tax Incentives and Exemptions

Ghana's tax system includes various incentives intended to encourage investment, employment, and activity in specific sectors or regions. A selection relevant to MSMEs is listed below.

EDITOR NOTE: This section is incomplete. Additional incentives may apply under the Ghana Investment Promotion Centre Act, the One District One Factory scheme, the Free Zones Act, and various sector-specific legislation. Please expand before publishing.

10.1 Agricultural Income

- Income from farming (crop, livestock, tree crops) is exempt from income tax for the first five (5) years for new agribusinesses. [VERIFY — conditions apply]
- After the exemption period, a reduced rate of 20% applies. [VERIFY]

10.2 Rural Banking

- Community and rural banks enjoy a reduced corporate tax rate of 8% [VERIFY]. This is to incentivise financial services in underserved communities.

10.3 Export Companies

- Non-traditional export companies may benefit from a 0% rate on export income for a specified number of years [VERIFY eligibility criteria and duration].

10.4 Free Zones

- Companies operating in designated Free Zones (under the Free Zones Act, 1995 — Act 504) enjoy a corporate tax holiday for 10 years.
- After 10 years: corporate tax rate applies. [VERIFY current rate for free zone companies post-holiday]
- At least 70% of output must be exported.

10.5 Young Entrepreneurs Relief [VERIFY — MAY NOT EXIST FORMALLY]

EDITOR NOTE: There have been discussions about a youth enterprise incentive in budget statements but it is unclear if this has been formalised into legislation. Do not publish this entry until confirmed.

11. Key Contacts and Resources

Resource	Details
GRA Main Website	www.gra.gov.gh
GRA Taxpayer Portal (Online Filing)	taxpayerportal.gra.gov.gh
GRA Contact Centre	0800-900-110 (toll-free) [VERIFY if still active]
GRA Head Office	Ministries, Accra (specific address — EDITOR: confirm)
GRA Domestic Tax HQ	Accra [EDITOR: Add full address]
SSNIT	www.ssnit.org.gh

Registrar General's Department	www.rgd.gov.gh
Ghana.gov Business Registration Portal	www.ghana.gov.gh
GIPC (Investment incentives)	www.gipc.gov.gh

12. Glossary of Key Terms

NOTE TO EDITOR: This glossary is partial. More terms need to be added, especially for more advanced topics like transfer pricing, thin capitalisation, and double tax treaties, which some MSMEs growing into mid-market operations may encounter.

Term	Plain-Language Definition
Chargeable Income	The portion of your income that is actually taxed, after deducting allowable expenses and reliefs.
TIN	Taxpayer Identification Number — your unique tax ID with GRA. Required for all businesses.
Provisional Tax	Tax paid in instalments during the year, based on estimated income. Reconciled when you file your annual return.
PAYE	Pay As You Earn — income tax deducted from employee salaries by the employer and sent to GRA.
Withholding Tax	Tax deducted at source by the payer of certain types of income (rent, dividends, service fees, etc.).
Input VAT	VAT you paid on your business purchases. VAT-registered businesses can deduct this from VAT they collected.

Output VAT	VAT you charged on your sales. You must remit this to GRA after subtracting input VAT.
VAT Flat Rate Scheme (VFRS)	A simplified VAT scheme where retailers charge 3% on goods sold, without splitting into VAT + levies.
NHIL	National Health Insurance Levy — 2.5% charged alongside VAT to fund the National Health Insurance Authority.
GETFund	Ghana Education Trust Fund — 2.5% levy on VAT supplies to fund education infrastructure.
RAA	Revenue Administration Act, 2016 (Act 915) — the law governing GRA's powers, penalties, and procedures.
Act 896	Income Tax Act, 2015 — the main law governing personal and corporate income tax in Ghana.
Act 870	VAT Act, 2013 — the main law governing Value Added Tax in Ghana.
Statutory Rate (Interest)	The interest rate set by GRA on overdue taxes, usually tied to the Bank of Ghana's monetary policy rate.
Free Zone	A designated area where businesses can operate under special tax and customs rules to promote exports.
Double Tax Treaty (DTT)	An agreement between Ghana and another country to avoid the same income being taxed twice.
Transfer Pricing	Rules governing transactions between related companies (e.g. subsidiaries) to prevent profit shifting. Mostly relevant for larger businesses.

13. Editor Checklist — Items to Verify Before Publishing

This section lists all the items flagged [VERIFY] or [EDITOR] in this document. Each must be confirmed against the current GRA sources before the knowledge base is finalised.

#	Section	Item to Verify	Status
1	3.1.1	Income tax bands for 2025 — confirm from 2025 Budget Statement	PENDING
2	3.1.2	All individual relief amounts (marriage, child, dependent, disability, old age, education)	PENDING
3	3.2	Annual return filing deadline — 30 April or 4 months from year-end?	PENDING
4	3.3	Free zone post-holiday CIT rate; special banking levies	PENDING
5	4.2	Presumptive tax rate structure — flat 3% or tiered?	PENDING
6	4.2	VFRS upper turnover threshold	PENDING
7	5.2	COVID-19 Health Recovery Levy — confirm if still in force for current year	PENDING
8	5.5	VAT late filing penalty — GHS 500/month or different amount?	PENDING
9	6.3	PAYE remittance deadline — 15th or last working day of following month?	PENDING

10	6.4	SSNIT Tier 1 / Tier 2 split from the 5.5% employee contribution	PENDING
11	7.1	All WHT rates — especially rent, service fees, and supply of goods threshold	PENDING
12	8.2	RGD business name registration fee and renewal deadline	PENDING
13	9.1	Late filing penalty for income tax returns (GHS 200/month — confirm)	
14	9.1	Interest rate formula — confirm current statutory margin above BoG policy rate	PENDING
15	9.1	Failure to maintain records penalty amount	PENDING
16	10.1	Agriculture exemption period and post-exemption rate	PENDING
17	10.2	Rural banking CIT rate	PENDING
18	10.5	Youth entrepreneur relief — confirm if formalised into law	PENDING
19	11	GRA Contact Centre number — confirm if still active	PENDING
20	11	GRA Domestic Tax HQ — add full postal address	PENDING

— END OF DRAFT DOCUMENT —
